

## BLOOD BOOSTER® LIQUID & GEL

### THE ULTIMATE RED BLOOD CELL PROMOTER

- Provides the nutritional requirements for all stages of production and development of optimum R.B.C. Levels.
- A "Quick release" formulation containing Copper and Iron as M.A.A.C.s', Folic Acid, "B" Vitamins, Cobalt and additional ingredients to boost R.B.C. Level under all the conditions that performance horses operate in.
- The ideal product for horses recovering from ILLNESS, ANAEMIA or other similar debilitating conditions.
- BLOOD BOOSTER** is a HAEMATINIC Product, available in two forms; a) a highly palatable liquid, or b) a handy gel in a syringe with a **HIGH ENERGY, FAST-ACTING** basal source providing that necessary extra "boost" to give the performance horse that "vital edge".
- Ensures the maintenance of optimum OXYGEN parameters and supply to the muscles to boost and maintain maximum power.
- Mares, both pre and post foaling will benefit from the product along with foals, also stallions prior to covering.

#### BLOOD BOOSTER LIQUID 1LTR

Copper as Chelate	330mg/Ltr	Vitamin B6	450mg/Ltr
Iron as Chelate	1,900mg/Ltr	Vitamin B12	3,000mcg/Ltr
Cobalt as Chloride	30mg/Ltr	F-C-R Premix	30,000mg/Ltr
Folic Acid	1,850mg/Ltr		see product label for more details

#### BLOOD BOOSTER GEL 30G

Copper as Chelate	40mg/30g	Vitamin B3 (Niacin)	34mg/30g
Iron as Chelate	200mg/30g	Vitamin B5 (as Ca Salt)	85mg/30g
Cobalt as Chloride	3.5mg/30g	Vitamin B6	50mg/30g
Folic Acid	170mg/30g	Vitamin B12	250mcg/30g
Vitamin B1	40mg/30g	F-C-R Premix	300mg/30g
Vitamin B2	30mg/30g		see product label for more details

## PURIFY® GEL

### ORGANS DETOXIFIED & BLOOD BUILDING

- Efficiently DETOXIFIES the LIVER, KIDNEYS and the entire DIGESTIVE TRACT.
- Boosts the IMMUNE SYSTEM on a multiple number of levels.
- Fights and incapacitates many VIRUSES and FUNGI.
- RAPID RECOVERY from all infections aided.
- Actively aids the REPAIR and REGENERATION of those vital detoxifying ORGANS.
- Used from the start of "The Season" and during HARD TRAINING and RACING, "PURIFY" will help protect the LIVER.
- Provides BONE MARROW support.

#### PURIFY GEL 30G SYRINGE INGREDIENTS in decreasing order of concentration:

Phytonutrients	< 50%	Vitamins	< 5%
Plant Algae	< 20%	F-C-R Premix	30,500mg/Kg
Biochemicals	< 20%		see product label for more details

### SPECIALIST SERVICES INCLUDE:

- Soil, water and forage analyses
- Special Product mixes designed to cope with individual stable needs including excess Molybdenum.

"ARDMORE" PRODUCTS now contain their exclusive "F-C-R" PREMIX, working on a sub-NUCLEIC ACID LEVEL to further boost all NUTRIENT ABSORPTION.

## TRACE - BOOST® LIQUID

- A highly palatable liquid mineral combination using the latest developed super bi-available **Metal Amino Acid Chelates** that by-pass interference from Molybdenum ensuring that Copper utilisation is maximised under all circumstances.
- CONCEPTUAL mineral levels maximised.
- SKELETAL BONE development boosted by the action of this synergistic mineral blend.
- Development of bone and joint problems i.e. EPIPHYSITIS and OCD/DOD minimised.
- MUSCLE BUILDING enhanced and STRESS REDUCTION parameters catered for.
- Mineral absorption has been formulated to be compatible and independent of feeding regimes.

## IMMUNE PLUS® GEL

### THE POWERFUL AID TO BOOSTING THE IMMUNE SYSTEM IN A HANDY SYRINGE

The stresses that the performance horse frequently encounters puts constant pressure on its complex and multi-faceted immune system in many different areas. To address both the "innate" and the "adaptive" elements of the system, this Product has been formulated to aid those highly complex processes on many levels. Hence the provision of a broad spectrum of protection and aid in the alleviation of many pathogenic BACTERIAL and VIRAL conditions. The provision of this product throughout the growth of foals and yearlings will ensure excellent health and is an important aid to the immune system.

## VOIDING POWDER®

### Maintains healthy kidney and digestive function

- a well established preparation to assist in maintaining the healthy function of the kidneys and digestive system whilst gently aiding the elimination of waste products. Minimises the dangers of eruptions, reduces blood impurities and invigorates the system.

## "SUPPLEMENTARY PRODUCTS"

- "TRACE BOOST" - Chelated minerals of the highest potency.
- "COOL-PLUS" - A spray on analgesic with cooling ability.
- "COOL" - Specifically for soothing MUSCLES & SPRAINS.
- "TRAINERS SPECIAL" - Minerals, Blood building & food conversion.
- "ELECTO-AID-GEL" - Replaces Electrolytes, re-establishes ratios.
- "ELECTO-AID POWDER" - Rapidly restores mineral imbalances.
- "BLOW FREE" - A natural nasal decongestant, opens AIRWAYS.
- "PHYTO-FIT PLUS" - DETOXIFIES. Lowers NEUTROPHIL levels.
- "CLASSIC HOOF" - Amino acids & Biotin for healthy Hooves.
- "TISSUE REPAIR" - Excellent in "difficult to heal" situations.

Ardmore Equine Nutrition Ltd is a family owned and managed Company, developing, producing & marketing a comprehensive range of high quality supplements for the professional equine breeding and performance markets.

## TRACE-GEL® FOR MARES & YOUNG STOCK

### THE ULTIMATE IN MINERAL TECHNOLOGY

- Uniquely formulated and structured around M.A.A.C.s' ensuring the maximum bio-availability of Copper and the other essential trace minerals even in the presence of SULPHUR & MOLYBDENUM.
- Uniquely contains "Ardmore's" F-C-R Premix, boosting the utilisation of all nutrients.
- The synergistic blend of minerals provides the following key benefits:
- All SKELETAL BONE deposition maximised.
- EPIPHYSITIS & JOINT problems minimised
- CONCEPTION MINERAL LEVELS boosted.
- MUSCLE BUILDING maximised.
- STRESS REDUCTION enhanced.
- ANTI-OXIDATION properties boosted.
- The absorption of all the minerals has been formulated to be independent of feeding regimes.

#### TRACE GEL 40G SYRINGE INGREDIENTS

Selenium as Sodium Selenite	75mg/Kg	Magnesium Chelate	8000mg/Kg
Copper as Chelate	7500mg/Kg	Potassium Chelate	8000mg/Kg
Zinc as Chelate	8100mg/Kg	Vitamin B12	24,000µg/Kg
Manganese as Chelate	3000mg/Kg	Vitamin E (dl-α-tocopherol)	12,000µg/Kg
Iron as Chelate	4220mg/Kg	F-C-R Premix	9,500mg/Kg

see product label for more details

## BREEDERS SPECIAL®

### ESSENTIAL NUTRIENTS FOR MARES & YOUNG STOCK

- All FERTILITY & GESTATION parameters boosted.
- Enhances LACTATION & COLOSTRUM production.
- Provides excellent FOOD CONVERSION by the inclusion of ScFOS and other digestion promoters and enhancers.
- Minimises DIGESTIVE DISTURBANCES including organ crowding in latter stages of pregnancy.
- The IMMUNE SYSTEM is enhanced on a number of levels.
- The product is compatible with all compound feeds.
- STORE HORSES and ones in PRE-SALES PREPARATION will benefit from the feeding of "BREEDER'S SPECIAL".
- The provision of the Product throughout the growth of FOALS & YEARLINGS will ensure excellent health and continued optimum development.

#### BREEDERS SPECIAL 4KG INGREDIENTS - CONTENTS PER KG:

F-C-R Food Conversion Premix	50,000mg/Kg	Profeed (Probiotic)	200,000mg/Kg
Gastro Anti-Ulcer/Colic Premix	23,000mg/Kg	Biomoss (Probiotic)	50,000mg/Kg
Immune Plus Booster Premix	22,000mg/Kg	Trace Elements, Minerals, Vitamins etc.	
Purify Detoxification Premix	23,000mg/Kg		see product label for more details

## BLEED FREE®

### PROTECTION FROM ALL CAPILLARY PROBLEMS

- Protects and reinforces the delicate capillaries, enhancing their flexibility and reducing the Blood's overall viscosity.
- Reduces the "stickiness" of the RED BLOOD CELLS and aids the integrity, elasticity and maintenance, of the cell membrane walls.
- Reduces the incidence of Endogenous noxae, which internally can cause inflammation from agents including the pressure of the blood itself and heat.
- Provides enhanced nutrient and oxygen distribution to all parts of the horse's circulation system that includes the extremities where problems frequently are encountered.
- Enhanced blood circulation during hard training and events aids subsequent "post event" recovery.

#### BLEED FREE 60G SACHET INGREDIENTS

Vitamin A	850,000µg/Kg	Maltodextrin & Alfalfa	< 40%
Vitamin D3	2,200µg/Kg	Flavour	Vanilla
Vitamin E (dl-α-tocopherol)	6,400µg/Kg	Phytonutrients & Flavonols	> 10%

see product label for more details

All Our Products Meet Jockey Club, FEI and HSI Rules & Regulations  
- NO WITHDRAWAL PERIOD -

## F-C-R® AIDING ULCER & COLIC CONTROL

### THE DEFINITIVE "FOOD CONVERSION" PRODUCT

- Boosts the assimilation of all types of FEEDSTUFFS FORAGES & SUPPLEMENTS by highly effective FOOD CONVERSION boosted by the inclusion of "Nucleated amino Acids"
- Strengthens and promotes all types of MUSCLE GROWTH, whilst aiding "FREE RADICAL" and LACTIC ACID removal.
- Provides unique and highly effective ULCER CONTROL by a number of mechanisms.
- Reduces the risk of all types of COLIC developing by aiding the maintenance of an OPTIMUM DIGESTIVE ENVIRONMENT.
- Through the inclusion of MOS, promotes the removal of PATHOGENIC BACTERIA.
- Contains a unique blend of PROBIOTICS, DIGESTIVE ENZYMES, MULTI-SACCHARIDES & VITAMINS to ensure optimum FOOD CONVERSION.
- Has "Broad Spectrum ANTI-VIRAL" properties.
- Highly PALATABLE to all horses and "Picky Eaters".

#### F-C-R 30G SACHET INGREDIENTS

Oligosaccharides	< 40%	Probiotics	< 3%
Phytonutrients	< 30%	Polysaccharides	< 3%
Enzymes	< 10%	Biochemicals	< 2%
Vitamins	< 7%	F-C-R Premix	11,500mg/Kg
Amino Acids	< 4%		

see product label for more details

## TRAINERS SPECIAL® GEL FOR PERFORMANCE HORSES

### A UNIQUE BLEND OF VITAMINS & MINERALS IN A SYRINGE

- Contains high levels of natural Vitamin E, d-α-tocopherol and α-tocopherol to reduce RNOS free radicals and COX 2 inflammatory agents.
- F-C-R Premix included in this product ensures that maximum absorption and utilisation of all nutrients occurs.
- Has excellent total MINERAL ABSORPTION characteristics
- Contains a readily utilisable vegetable ENERGY source.
- Rapidly drops the CPK-Mms' ENZYME levels.
- Boosts OXYGEN carrying parameters.
- TYING UP (Azoturia) and MUSCLE problems are reduced.
- Vitamin C as Ester C enhances the absorption of IRON.

#### TRAINERS SPECIAL GEL 40G SYRINGE INGREDIENTS

Selenium as Sodium Selenite	75mg/Kg	Vitamin B12	24,000µg/Kg
Copper as Chelate	7300mg/Kg	Vitamin E (dl-α-tocopherol) (Synthetic)	8,250µg/Kg
Zinc as Chelate	9900mg/Kg	Vitamin E (dl-α-tocopherol) (Natural)	6,000µg/Kg
Manganese as Chelate	3500mg/Kg	Vitamin C (As Ester C)	3,000mg/Kg
Iron as Chelate	4800mg/Kg	F-C-R Premix	10,000mg/Kg
Magnesium Chelate	7900mg/Kg	Nucleated Amino Acids	50,000mg/Kg
Potassium Chelate	7900mg/Kg		see product label for more details

## GASTRO®

### EQUINE ULCERS IN HORSES REPRESENTS A MAJOR PROBLEM IN YOUNG STOCK & ADULT HORSES

- This Product is a new concept in the control and reduction of EQUINE ULCERS and related problems.
- Symptoms associated with ulcers i.e. Colic of all types are rapidly eased.
- No interference or reduction of the stomach's ACID PUMP.
- Contains natural antibiotics & agents supporting MUCOSAL integrity by active ingredients including PHYTONUTRIENTS.
- Suitable for horses of all ages i.e. FOALS, YEARLINGS and ADULT HORSES.
- Reduces damage to the COLONOCYTES by the bacterially produced ANIONIC SULPHIDES.
- Works synergistically with the horse's own healing mechanisms in the maintenance of optimum digestion and contains NATURAL STRESS REDUCERS.
- Mares in the last 2 weeks of their PREGNANCY are suitable recipients for this product.

#### GASTRO 30G SYRINGE INGREDIENTS in decreasing order of concentration:

Sugars	< 40%
Phytonutrient Extracts	< 20%
Biochemicals	< 15%
Amino Acids	< 8%
Vitamins	< 2%
F-C-R Premix	9,500mg/Kg

see product label for more details

### PRODUCT RANGE:

- F-C-R, Food Conversion
- Gastro, Ulcer Control
- Immune Gel, Preventative
- Blood Booster Liq. & Gel, RBCs' oxygen & nutrients boosted
- Breeders Special, Gives the best start from conception to birth
- Trainers Special Gel, Minerals, Vitamins & power production
- Bleed Free, Capillary protection & integrity maintained
- Trace Gel, Mare & Young Stock
- Purify Gel, Detoxification
- Trace-Boost Liquid, Minerals
