

BLOOD BOOSTER® LIQUID & PASTE

THE ULTIMATE RED BLOOD CELL PROMOTER

- Provides the nutritional requirements for all stages of production and development of optimum R.B.C. Levels.
- A "Quick releasing" formulation containing a highly bio-available source of Copper & Iron as M.A.A.C.s, Folic Acid, "B" Vitamins and Cobalt, along with the inclusion of Ardmore's exclusive FCR® Premix the absorption of all these ingredients are further enhanced to boost Blood Building.
- The ideal product for horses recovering from ILLNESS, ANAEMIA or other similar debilitating conditions.
- BLOOD BOOSTER is a HAEMATINIC Product, available in two forms; a) a highly palatable liquid, or b) a handy paste in a syringe with a HIGH ENERGY, FAST-ACTING basal source providing that necessary extra "boost" to give the performance horse that "vital edge".
- Ensures the maintenance of optimum OXYGEN parameters and supply to the muscles to boost and maintain maximum power.
- Mares, both pre and post foaling will benefit from the product along with foals, also stallions prior to covering.

BLOOD BOOSTER LIQUID 1LTR

| | | | |
|--------------------|--------------|------------------------------------|--------------|
| F-C-R® Premix | 30,000mg/Ltr | Folic Acid | 1,850mg/Ltr |
| Copper as Chelate | 330mg/Ltr | Vitamin B6 | 450mg/Ltr |
| Iron as Chelate | 1,900mg/Ltr | Vitamin B12 | 3,000mcg/Ltr |
| Cobalt as Chloride | 30mg/Ltr | see product label for more details | |

BLOOD BOOSTER PASTE 30G

| | | | |
|--------------------|------------|------------------------------------|------------|
| F-C-R® Premix | 300mg/30g | Vitamin B2 | 90mg/30g |
| Copper as M.A.A.C. | 40mg/30g | Vitamin B3 (Niacin) | 38mg/30g |
| Iron as M.A.A.C. | 200mg/30g | Vitamin B5 (as Ca Salt) | 88mg/30g |
| Cobalt as Acetate | 0.3mg/30g | Vitamin B6 | 50mg/30g |
| Folic Acid | 190mg/30g | Vitamin B12 | 260mcg/30g |
| Vitamin B1 | 1200mg/30g | see product label for more details | |

IMMUNE PLUS® GEL

THE POWERFUL AID TO BOOSTING THE IMMUNE SYSTEM IN A HANDY SYRINGE

The stresses that the performance horse frequently encounters puts constant pressure on its complex and multi-faceted immune system in many different areas. To address both the "innate" and the "adaptive" elements of the system, this Product has been formulated to aid those highly complex processes on many levels. Hence the provision of a broad spectrum of protection and aid in the alleviation of many pathogenic BACTERIAL and VIRAL conditions. The provision of this product throughout the growth of foals and yearlings will ensure excellent health and is an important aid to the immune system.

SPECIALIST SERVICES INCLUDE:

- Soil, water and forage analyses
 - Special Product mixes designed to cope with individual stable needs including excess Molybdenum.
- "ARDMORE" PRODUCTS now contain their exclusive "F-C-R® PREMIX", working on a sub-NUCLEIC ACID LEVEL to further boost all NUTRIENT ABSORPTION.

VOIDING POWDER®

Maintains healthy kidney and digestive function

- A well established preparation to assist in maintaining the healthy function of the kidneys and digestive system whilst gently aiding the elimination of waste products. Minimises the dangers of eruptions, reduces blood impurities and invigorates the system.

TISSUE REPAIR®

- TISSUE-REPAIR is a natural antiseptic cream with fly repelling properties for cuts, abrasions, open wounds and sores. It contains a wide range of naturally renowned ingredients from around the world.
- INGREDIENTS: Myrrh, Tea Tree, Chamomile, Aloe Vera and Turmeric.

COOL®

POULTICE - TIGHTENER - FREEZE

- COOL is a therapy paste that quickly penetrates to promote instant relief and treatment for muscles and tendons due to exertion or fatigue.
- COOL eliminates the need for ice and bandages.

ACTIVE INGREDIENTS: Vinegar, Epson Salts, Bentonite etc.
CAUTION: DO NOT APPLY COOL TO OPEN CUTS OR WOUNDS.

COOL - PLUS®

An Analgesic Spray - On

- Carefully researched PHYTO-CONSTITUENTS provide this product with the following properties: Cooling Agent, Bruise and Knock Reducer, Muscle Relaxant & Desensitiser, Warming Massage Agent, Aches and Pains Easer when used as an externally applied product.

INGREDIENTS: Alcohol, Water, Herbal Extracts & Astringents, Essential Oils. Suitable for Sensitive Skin

"SUPPLEMENTARY PRODUCTS"

- TRACE BOOST POWDER - Chelated minerals of the highest potency.
- TRACE-BOOST LIQUID - Chelated minerals of the highest potency.
- TRAINERS SPECIAL - Minerals, Blood building & food conversion.
- ELECTO-AID-GEL - Replaces Electrolytes, re-establishes ratios.
- ELECTO-AID POWDER - Rapidly restores mineral imbalances.
- BLOW FREE - A natural nasal decongestant, opens AIRWAYS.
- PHYTO-FIT PLUS - DETOXIFIES. Lowers NEUTROPHIL levels.
- CLASSIC HOOF - Amino acids & Biotin for healthy Hooves.
- PURIFY GEL - Organs Detoxified and Blood Building.

TRACE-GEL[®] FOR MARES & YOUNG STOCK

THE ULTIMATE IN MINERAL TECHNOLOGY

- Uniquely formulated and structured around M.A.A.C.s' ensuring the maximum bio-availability of Copper and the other essential trace minerals even in the presence of SULPHUR & MOLYBDENUM.
- **F-C-R[®] Premix** included in this product ensures that maximum absorption and utilisation of all nutrients occurs assisted by **MYCOTOXIN** inhibitors and absorbers.
- **The synergistic blend of minerals provides**
- All **SKELETAL BONE** deposition maximised.
- **EPHYSITIS & JOINT** problems minimised
- **CONCEPTION MINERAL LEVELS** boosted.
- **MUSCLE BUILDING** maximised.
- **STRESS REDUCTION** enhanced.
- **ANTI-OXIDATION** properties boosted.
- The absorption of all the minerals has been formulated to be independent of feeding regimes.

| | | | |
|-----------------------------|-----------|--------------------------------------|-------------|
| Selenium as Sodium Selenite | 75mg/Kg | Magnesium Chelate | 8000mg/Kg |
| Copper as Chelate | 7500mg/Kg | Potassium Chelate | 8000mg/Kg |
| Zinc as Chelate | 8100mg/Kg | Vitamin B12 | 24,000us/Kg |
| Manganese as Chelate | 3000mg/Kg | Vitamin E (dl- α -tocopherol) | 12,000us/Kg |
| Iron as Chelate | 4220mg/Kg | F-C-R [®] Premix | 9,500mg/Kg |

see product label for more details

BREEDERS SPECIAL[®]

ESSENTIAL NUTRIENTS FOR MARES & YOUNG STOCK

- All **FERTILITY & GESTATION** parameters boosted.
- Enhances **LACTATION & COLOSTRUM** production.
- Provides excellent **FOOD CONVERSION** by the inclusion of **ScFOS** and other digestion promoters and enhancers.
- The addition of **FCR[®]PREMIX**, is a highly effective **MYCOTOXIN** inhibitor and absorber.
- The inclusion of **OMEGA 3 Fish Oil** assists in providing **RICHER COLOSTRUM** and **BLOOD ANTI-INFLAMMATORIES**.
- Minimises **DIGESTIVE DISTURBANCES** including organ crowding in latter stages of pregnancy.
- The **IMMUNE SYSTEM** is enhanced on a number of levels.
- The product is compatible with all compound feeds.
- **STORE HORSES** and ones in **PRE-SALES PREPARATION** will benefit from the feeding of "BREEDER'S SPECIAL".
- The provision of the Product throughout the growth of **FOALS & YEARLINGS** will ensure excellent health and continued optimum development.

| | | | |
|---|--------------|---|------------------------------------|
| FCR [®] Plus Premix Mycotoxin absorber & neutraliser | 250,000mg/Kg | Profeed (Probiotic) | 150,000mg/Kg |
| F-C-R [®] Food Conversion Premix | 52,000mg/Kg | Biomoss (Probiotic) | 45,000mg/Kg |
| Gastro [®] Anti-Ulcer/Colic Premix | 24,000mg/Kg | OMEGA 3 Fish Oil | 43,000mg/Kg |
| Immune Plus [®] Booster Premix | 27,000mg/Kg | Trace Elements, Minerals, Vitamins etc. | see product label for more details |
| Purify [®] Detoxification Premix | 26,000mg/Kg | | |

BLEED FREE[®]

PROTECTION FROM ALL CAPILLIARY PROBLEMS

- Protects and reinforces the delicate capillaries, enhancing their flexibility and reducing the Blood's overall viscosity.
- Reduces the "stickiness" of the **RED BLOOD CELLS** and aids the integrity, elasticity and maintenance, of the cell membrane walls.
- Reduces the incidence of **Endogenous noxae**, which internally can cause inflammation from agents including the pressure of the blood itself & heat.
- Provides enhanced nutrient and oxygen distribution to all parts of the horse's circulation system that includes the extremities where problems frequently are encountered.
- Enhanced blood circulation during hard training and events aids subsequent "post event" recovery.

BLEED FREE 60G SACHET INGREDIENTS

| | | | |
|--------------------------------------|--------------|----------------------------|---------|
| Vitamin A | 850,000us/Kg | Maltodextrin & Alfalfa | < 40% |
| Vitamin D3 | 2,200us/Kg | Flavour | Vanilla |
| Vitamin E (dl- α -tocopherol) | 6,400us/Kg | Phytonutrients & Flavonols | > 10% |

F-C-R[®] AIDING ULCER & COLIC CONTROL

THE DEFINITIVE "FOOD CONVERSION" PRODUCT

- Boosts the assimilation of all types of **FEEDSTUFFS FORAGES & SUPPLEMENTS** by highly effective **FOOD CONVERSION** enhanced by the inclusion of "**Nucleated amino Acids**".
- **MYCOTOXIN** inhibitors and absorbers are included to promote natural gut functions
- Strengthens and promotes all types of **MUSCLE GROWTH**, whilst aiding "FREE RADICAL" and **LACTIC ACID** removal.
- Provides unique, highly effective **ULCER CONTROL** by a number of mechanisms.
- Reduces the risk of all types of **COLIC** developing by aiding the maintenance of an **OPTIMUM DIGESTIVE ENVIRONMENT**.
- Through the inclusion of **MOS**, promotes the removal of **PATHOGENIC BACTERIA**.
- Contains a unique blend of **PROBIOTICS, PREBIOTICS, MULTI-SACCHARIDES & VITAMINS** to ensure optimum **FOOD CONVERSION**, and in turn minimizing hind gut infections.
- Has "Broad Spectrum **ANTI-VIRAL**" properties.
- Highly **PALATABLE** to all horses and "**Picky Eaters**".

F-C-R 30G SACHET INGREDIENTS

| | | | |
|------------------|-------|--------------------------------|-------------|
| Oligosaccharides | < 40% | Probiotics | < 7% |
| Phytonutrients | < 30% | Polysaccharides | < 3% |
| Enzymes | < 10% | Biochemicals | < 2% |
| Vitamins | < 7% | F-C-R [®] Premix | 11,500mg/Kg |
| Amino Acids | < 4% | F-C-R [®] Plus Premix | |

see product label for more details

TRAINERS SPECIAL[®] GEL FOR PERFORMANCE HORSES

A UNIQUE BLEND OF VITAMINS & MINERALS IN A SYRINGE

- Contains high levels of natural Vitamin E, d- α -tocopherol and α -tocopherol to reduce **RNOS** free radicals and **COX 2** inflammatory agents.
- **F-C-R[®] Premix** included in this product ensures that maximum absorption and utilisation of all nutrients occurs assisted by **MYCOTOXIN** inhibitors and absorbers.
- Contains a readily utilisable vegetable **ENERGY** source, with excellent total **MINERAL ABSORPTION** characteristics
- Rapidly drops the **CPK-Mms' ENZYME** levels.
- Boosts **OXYGEN** carrying parameters.
- **TYING UP** (Azoturia) and **MUSCLE** problems are reduced.
- Vitamin C as Ester C enhances the absorption of **IRON**.

TRAINERS SPECIAL GEL 40G SYRINGE INGREDIENTS

| | | | |
|-----------------------------|-----------|--|------------------------------------|
| Selenium as Sodium Selenite | 75mg/Kg | Vitamin B12 | 24,000us/Kg |
| Copper as Chelate | 7300mg/Kg | Vitamin E (dl- α -tocopherol) (Synthetic) | 8,250us/Kg |
| Zinc as Chelate | 9900mg/Kg | Vitamin E (dl- α -tocopherol) (Natural) | 6,000us/Kg |
| Manganese as Chelate | 3500mg/Kg | Vitamin C (As Ester C) | 3,000mg/Kg |
| Iron as Chelate | 4800mg/Kg | F-C-R [®] Premix | 10,00mg/Kg |
| Magnesium Chelate | 7900mg/Kg | Nucleated Amino Acids | 50,000mg/Kg |
| Potassium Chelate | 7900mg/Kg | | see product label for more details |

GASTRO[®]

EQUINE ULCERS REPRESENTS A MAJOR PROBLEM IN YOUNG STOCK & ADULT HORSES

- This Product is a new concept in the control and reduction of **EQUINE ULCERS** and related problems.
- Symptoms associated with ulcers i.e. **Colic** of all types are rapidly eased.
- No interference or reduction of the stomach's **ACID PUMP**.
- Contains **NATURAL ANTIBIOTICS** & agents supporting **MUCOSAL** integrity by active ingredients including **PHYTONUTRIENTS** assisted by the inclusion of **NATURAL ANTI-INFLAMMATORIES**.
- Suitable for horses of all ages i.e. **FOALS, YEARLINGS** and **ADULT HORSES**.
- Reduces damage to the **COLONOCYTES** by the bacterially produced **ANIONIC SULPHIDES**.
- Works synergistically with the horse's own healing mechanisms in the maintenance of optimum digestion and contains **NATURAL STRESS REDUCERS**.
- Mares in the last 2 weeks of their **PREGNANCY** are suitable recipients for this product.

GASTRO 30G SYRINGE INGREDIENTS in decreasing order of concentration:

| | |
|---------------------------|------------|
| Sugars | < 40% |
| Phytonutrient Extracts | < 20% |
| Biochemicals | < 15% |
| Amino Acids | < 8% |
| Vitamins | < 2% |
| F-C-R [®] Premix | 9,500mg/Kg |

see product label for more details

PRODUCT RANGE:

- **F-C-R, Food Conversion**
- **Gastro, Ulcer Control**
- **Immune Plus Gel, Preventative**
- **Blood Booster Liquid & Paste, RBCs' oxygen & nutrients boosted**
- **Breeders Special, Gives the best start from conception to birth**
- **Trainers Special Gel, Minerals, Vitamins & power production**
- **Bleed Free, Capillary protection & integrity maintained**
- **Trace Gel, Mare & Young Stock**
- **Purify Gel, Detoxification**
- **Trace-Boost Liquid, Minerals**
